**CITY OF CHARLOTTE
ARBOR DAY PROCLAMATION 2023-01**

Council member Van Langevelde offered the following proclamation and moved its adoption:

WHEREAS, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska; and

WHEREAS, Arbor Day is now observed throughout the nation and the world; and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife; and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products; and

WHEREAS, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community; and

WHEREAS, trees wherever they are planted, are a source of joy; and

WHEREAS, the City of Charlotte has been recognized as a Tree City USA by the National Arbor Foundation and desires to continue its tree planting practices, by planting a tree at the Charlotte Public Schools; and

NOW THEREFORE, the City Council of the City of Charlotte, Michigan does hereby proclaim **Friday, April 28, 2023** as **ARBOR DAY** in the City of Charlotte and urges all citizens to celebrate Arbor Day; and

FURTHER, the City Council of the City of Charlotte, Michigan urges all citizens to plant trees to gladden the heart and promote the wellbeing of this and future generations.

Re: Hazard and Nuisance Invoices to Tax Roll

Background

The City of Charlotte invoices for various services throughout the fiscal year such as property clean up, weeds, and snow removal. Any invoices that remain unpaid for more than 30 days are added to the tax roll and collected in the same manner as provided by law for the collection of taxes by the City. The Assessor has prepared the special assessment roll as required by City Charter, and the roll has been filed with the City Clerk as required by the City Code of Ordinances.

Recommendation

Approve the Hazards and Nuisances Special Assessment Public Hearing Resolution.

Financial Impacts

The City would collect \$4,566.82 worth of unpaid invoices.

Re: Master Plan and Zoning Code rewrite steering committee appointments

Background

The City of Charlotte Planning Commission is undertaking a rewrite of the city's Master Plan and Zoning Code. This is expected to be a 2-year process that will take place with the help of city staff in consultation with a professional planning firm (tbd).

The Planning Commission has chosen 4 of its members to serve as representatives on the project steering committee, along with one alternate. Those people are Renee Lester, Jeff Christensen, Kristie Snyder, Kellie Garrett and Mikayla Bliven. The balance of the steering committee would include two members of the City Council and Annie Williams, the Director of CharlotteRising. Michael Duweck has been proposed as the first Council representative, because he is the Council liaison to the Planning Commission. Branden Dyer is proposed as the second Council representative because he requested consideration for appointment at the most recent Planning Commission meeting. Ms. Williams is proposed for membership due to her leadership role in local community and economic development activities.

It is important to note that all members of the Planning Commission and City Council, as well as representatives from other boards and commissions, community development partners and the general public will have many opportunities throughout this process to participate.

Recommendation

It is recommended that Council approves the following Mayoral appointment(s);

RE: **Transition to Even-Year Elections for City Councilmembers**

DATE: March 15, 2023

As the Council is aware, last year the Council entertained, and I prepared, proposed Charter amendments that provided for changing the term of the Mayor, eliminating wards, and going to even-year elections. As the matter proceeded, I became aware of a change in the Election Code, which provided for the change of odd-year to even-year elections by a resolution of the City Council. After discussing the matter extensively with George Elworth, the Assistant Attorney General that oversees Charter revisions on behalf of the Governor, and other potential changes to Charters, it was decided to address these issues one at a time, thus making this significantly easier to accomplish.

As the Council remembers, last year a Charter amendment was proposed, approved by the Governor for passage, and approved by the City electors, changing the Mayor's term to four years, instead of the current term of two years.

I have had discussions with the City Manager and the Assistant Attorney General regarding addressing the elimination of wards and going to even-year elections. It remains the considered judgment of the Assistant Attorney General, of which I agree, that trying to make these changes occur simultaneously remains a very daunting task. The problem is that terms of a sitting Councilmember cannot be shortened. In converting to an even-year election, MCL 168.664(g) provides that the term of a Councilmember may be lengthened beyond the term set forth in the Charter in order to make an orderly transition to the even election year.

It is my opinion that it is simply too difficult to try to manage simultaneously the elimination of wards and implementing a conversion to even-year elections. As discussed with Erin LaPere, the dollar savings for the City will begin immediately upon the elimination of the last odd-year election in 2023. Between eliminating wards and the odd-year elections, the savings would be immediate, because at present, all of the State and Federal elections are on an even year, the City is now conducting elections annually. With that change, even-year elections only will bring a cost savings as on the odd years, there will be no election.

The other immediate benefit is that this does not require approval by the Governor, as this not a Charter amendment. Making this change by resolution greatly simplifies what the City is required to do to bring about this cost saving to the City.

If the Council desires to convert to even-year elections, it must comply with the provisions of MCL 168.642. As provided at Subsection 7, the resolution is valid only if the City Council adopts it in compliance with the subsections, which read as follows:

A resolution permitted under this section or section 642a is valid only if a city council adopts the resolution in compliance with all of the following:

- (a) The resolution is adopted before 1 of the following:
 - (i) If the resolution is permitted under subsection (2), (3), or (4), January 1, 2005.
 - (ii) If the resolution is permitted under section 642a(1), (2), or (4), January 1 of the year in which the change in the date of the election takes effect.
- (b) Before adopting the resolution, the council holds at least 1 public hearing on the resolution. The public hearing may be held on the same day and immediately before considering the adoption of the resolution.
- (c) The council gives notice of each public hearing on the resolution in a manner designed to reach the largest number of the jurisdiction's qualified electors in a timely fashion.
- (d) The council votes on the resolution and, on a record roll call vote, a majority of the council's board members, elected or appointed, and serving, adopt the resolution.
- (e) The council files the resolution with the secretary of state.

I have prepared a resolution for your review and use if Council desires to proceed in this matter. In discussing this with the City Manager, the change needs to occur no later than the last Council meeting in April.

Memo

To: Honorable Mayor Armitage; City Council
From: City Manager LaPere, MPAP
Date: April 14, 2023
Re: Pension Funding Policy

Background

The City of Charlotte participates in the Michigan Employees' Retirement System of Michigan (MERS). As of the last actuarial analysis, for period ending December 31, 2021, the City's retirement system as a whole was funded at 55.6%. State law, PA 202 of 2017, mandates that municipalities fund their retirement systems at not less than 60%, among other requirements. In 2018, the first year after passage of the law, the City was notified of its underfunded status and was required to submit a corrective action plan detailing how it was going to achieve compliance. One of the stated actions in our approved corrective action plan to achieve proper funding is to establish a Special Assessment District to defray the costs of emergency services which was done in 2021. At the time the SAD was established, the Council noted the need to ensure stable funding for public safety services, police and fire, while simultaneously addressing the approximately \$11mill retirement system liability. Without the SAD, the City was considering cuts to police and fire personnel and services to balance its budget as existing costs were exceeding revenues collected.

In 2023, the City intends to apply for one-time grant funding through the State when the program opens this spring. The grant program's goal is to assist in boosting as many pension systems as funding will permit to the 60% level using valuations as of December 31, 2021. However, achieving the minimum legally required level as of this one point in time is not sufficient to ensure ongoing compliance with the state law. Further, setting a higher level of funding demonstrates fiscal responsibility and enshrines long-term financial planning when budgeting, negotiating with unions, and making priorities decisions. The goal of this policy is to ensure current and future Councils and Administrations have a benchmark for the important task of funding our retirement system obligation.

Recommendation

I recommend City Council adopt the Retirement System Funding Policy.

Financial Impacts

The Policy requires the City achieve 80% funding over a financially feasible period of time, and then maintain that minimum funding level while working towards achieving 100% funding over the long term. This will necessitate budgeting for the additional funding contributions. Utilizing current valuation data, to achieve 80% funding within 10 years' time, the City would need to contribute an estimated additional \$500k per year into its retirement system. However, that amount is variable based on actuarial assumptions and market performance, and does not include the anticipated grant allocation later this year. In the current (FY22/23) budget we have allocated \$150k into the retirement system and have proposed \$150k in the upcoming (FY 23/24) budget.

Suggested Motion

Council approves Council Policy 2023-02 Policy for Retirement System Funding.

COUNCIL POLICY

SUBJECT	POLICY NO.	APP. DATE	PAGE
POLICY FOR RETIRMENT SYSTEM FUNDING	2023-02	04/03/2023	1 of 2

1. PURPOSE

The purpose of this policy is to establish a formal Policy for the City’s retirement funds invested in the Municipal Employee’ Retirement System of Michigan (MERS) that promotes responsible financial management by adhering to best practices. By maintaining sufficient funding levels of its retirement system liabilities, the city will be well positioned to provide financial security and continued delivery of services, withstand economic downturns and other financial stressors such as a natural disaster or emergency, promote stable tax rates and fees, protect the city’s credit worthiness and bond rating, respond to opportunities, and consider long-term financial needs.

Public Act 202 of 2017 requires a minimum of 40% funding for OPEB and minimum of 60% funding for pension systems. Additionally, the municipality’s annual required contributions cannot exceed 12% of general fund operating revenues for OPEB and 10% of general fund operating revenues for pensions.

2. AUTHORITY

This policy is adopted pursuant to Section 2.1 (B) of the Charter of the City of Charlotte.

3. RETIRMENT FUNDING POLICY

4.1 Annual Actuarial Valuation. The Annual Actuarial Valuation Report prepared by MERS will be used to determine the City’s liabilities and funding rates. The Municipal Employees’ Retirement Act, PA 427 of 1984 and the MERS’ Plan Document Article VI Sec. 71 (1)(d), provides the MERS Board with the authority to set actuarial assumptions and methods after consultation with the actuary. The Michigan Department of Treasury provides required assumptions to be used for purposes of Public Act 202 reporting.

4.2 Establishing Minimum Liability Funding. In addition to compliance with PA 202 of 2017, the annual accrued liability for all divisions within the City’s retirement system will be not less than 80% funded in total.

4.4 Replenishing Balances. When the annual accrued liability is underfunded, meaning percent funded is below the target threshold established in Section 4.2, a replenishment plan of three to five years, or as soon as fiscally feasible should be adopted.

RE: Approval to Purchase Replacement Fire Truck

Earlier this year the fire department prepared a presentation for the council outlining all of the fire trucks we currently own and what role each fire truck has in our operations. We also shared with the council a replacement schedule for fire trucks through 2040. On that replacement schedule was the replacement of fire truck 314. Currently, 314 is a 1997 Spartan fire truck that has exceeded its expected time in service. Several weeks ago, we sent out a spec to replace unit 314. We received one bid back from Spencer Manufacturing for a price of \$749,673.00 with a lead time of 595 days. The proposal received from Spencer will expire on May 4th, 2023. Fire trucks are no exception to the current inflation trend that is affecting our economy. Prices have increased since late last year when we were exploring options and they will continue on that trend. One of the factors for only receiving one bid back is the department's requirement for a Spartan Chassis. This department has an exceptional relationship with Spartan Fire currently. The department seeks to continue that relationship by continuing to purchase Spartan-branded fire equipment in the future. We have also worked with Spencer Manufacturing on the purchase of 315 in 2018 and 316 in 2012. Spencer Manufacturing has gone above and beyond to deliver a quality fire truck that meets this department's standards.

Outlined below is a detailed breakdown of the replacement fire truck purchase:

State of Michigan Million Dollar Grant remaining money:	\$241,000
Sale price for two old fire trucks (312 & 311):	\$69,000
Remaining grant money + Income from sale:	\$310,000
Payment at chassis arrival (estimated May 2024):	\$360,000
Remaining grant money + Income from sale:	\$310,000
23-24 budget year for the purchase of chassis:	\$50,000 (\$25,000 City & \$25,000 Rural Fire Association)
24-25 budget year for remaining balance at delivery:	\$389,673 (\$194,836.50 each from City & Rural)

From: Charlotte Volunteer Fire Department

RE: Replacement of Rescue/Pumper 314

Manager LaPere & President Roberts,

As you both are aware, unit 314 (1997 rescue/pumper) has been on the replacement schedule for the City budget year 22/23. This unit was originally on a 20-year replacement plan, but with budget constraints the department was able to extend the life of the truck several more years. It is now nearing the "END OF LIFE" per NFPA standards as a front-line unit. The department members worked for several months last year, spec'ing out a basic custom built pumper truck and these specs recently went out for bid. The department members were made aware that we only received one (1) bid back, and the Charlotte Volunteer Fire Department voted unanimously to request that the City of Charlotte and Rural Fire Association approve the Bid from Spencer Manufacturing.

For any questions regarding the bid received, time line, money available from the state grant that could be used towards the replacement of this unit, we are available to help answer any questions or concerns that may holdup the approval process.

Best Regards,

Memo

To: Honorable Mayor Armitage; City Council
From: City Manager LaPere, MPAP
Date: April 14, 2023
Re: Fairgrounds Lease Rate

Background

The City of Charlotte owns the property occupied by the fairgrounds and leases that property to the Eaton County 4-H Agricultural Society (Fair Board). In addition, the City leases the property north of the fairgrounds known as the ballfield property which is used for parking during fair week. Currently, the Fair Board pays to the City \$1 annually for the lease. This amount was agreed to in 2013, prior to that the annual lease had been \$500 for the period from 1990 to 2000, and \$740 for the period from 2000 to 2013. Please note, the lease term is through 2065 and only the annual rent is to be renegotiated every 10-years.

The City incurs no expense for the fairgrounds other than the opportunity cost associated with its being unavailable for other development. The Fair Board is a non-profit organization that is run by volunteers who maintain the property, oversee its use for a variety of community events, and have invested considerable time and resources to site improvements. Most recently, the Board was awarded a grant from the State for improvements to the grandstands. The amount of the lease payment is nominal which reflects the City's support of the Fair Board and their efforts to maintain and improve the property, along with the time and resources involved with hosting the variety of community events that take place during the year.

I have enclosed correspondence from the Fair Board that highlights the improvements they have accomplished over the past 10-years. In addition to the direct investments to the property itself, the various events, including Frontier Days, Eaton County Fair, Michigan Nordic Fire Fest, Charlotte Bluegrass Festival, and Eaton County Expo, all bring visitors to the City who support local businesses and the local economy. These indirect economic impacts are beneficial to the community as a whole and the City could not host these events itself.

Recommendation

Approve the amendment to extend the lease payment amount for an additional 10-years at \$1.00 per year.

Financial Impacts

No change.

Suggested Motion

Council approves the amendment to the lease of the fairgrounds property to the Eaton County 4-H Agricultural Society to extend the lease payment amount for an additional 10-years at \$1.00 per year.

All applications and connections for necessary utility services on the property shall be made in the name of the Tenant.

If for economic or other valid and justifiable reasons, the Tenant finds its inadvisable to hold an Agricultural Fair in any one year, the Tenant shall be excused from this obligation. The failure to hold an Agricultural Fair for any reason for more than two (2) consecutive years shall be considered a valid and justifiable reason to terminate this Agreement.

The Landlord may bore for, mine for, explore, dig for, or drill for the minerals reserved so long as the exploitation of the rights reserved does not cause any damage to the buildings or equipment used during the Tenant's Agricultural Fair.

With prior written approval from the Landlord, the Tenant may excavate sand and gravel for the purpose of erecting new buildings and structures on the property. With written approval of the Landlord, any sand and gravel excavated may be used by the Tenant on the property for driveways and parking surfaces, filling in low areas, building-up embankments, and other uses that the Tenant deems appropriate.

8. Insurance and Indemnity: The Tenant agrees to maintain and pay for, during the term of this Agreement and extension, public liability insurance, property damage insurance, workers' compensation insurance, dram shop insurance, fire and extended coverage insurance with a reputable insurance company licensed to do business within the State of Michigan. The Tenant agrees to furnish the Landlord Certificates of Insurance naming the landlord as an additional insured on the policy.

The Tenant shall provide and keep in force other insurances, in types and amounts that may, from time to time, be required by the Landlord against other insurable hazards that are commonly insured against for the type of business activities that the Tenant or the Tenant's sublessees will conduct.

The Tenant shall and will at all times indemnify and save harmless the Landlord from or against all damages, losses, claims, demands, suits and expenses which the Landlord may

suffer, sustain, or be subject to as the result of any negligent act or omission on the part of the Tenant, his employees, agents, representatives, of sublessees, in connection with the use of the property. In the event that a Judgment is attained against the Landlord as a result of the operation and maintenance of the property, the Tenant shall be liable for and shall pay the Judgment, along with the taxable costs, legal costs, and any accrued interest on the Judgment.

9. Waste: The Tenant shall not commit waste upon the property and shall not allow waste to be committed upon the property. The Tenant shall keep the property free from all nuisances, public and private, and shall not allow members of the general public to enter upon the property until all nuisances are removed.

The Tenant shall have the right to trim trees and shrubs. Before the Tenant removes, plants, or replaces trees, shrubs, or sod on the property, the Tenant must obtain prior written approval of the Landlord. Any timber removed shall remain the property of the Landlord and shall be disposed of as the Landlord directs.

10. Tenant's Personal Property: all personal property, of any kind or description, placed upon the property by the Tenant shall be at the Tenant's sole risk, and the Landlord shall not be liable for any damage to either persons or property sustained by the Tenant or any other person, or for damage or loss suffered by the business or occupation of the Tenant. This Section shall not apply to any damage caused by water, sewer, or other utility lines owned by the Landlord, which shall be governed by general law.

If the Tenant fails to remove all personal property from the property upon termination or expiration of this Lease, the Landlord may, at its option, remove the property in any manner that the Landlord shall choose to store the property in the Tenant's name without liability to the Tenant for loss of the property. The Tenant agrees to pay the Landlord for any and all expenses incurred in the removal, including court costs and storage charges for any length of time that the property is in the Landlord's possession.

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: CITY ATTORNEY REPORT

DATE: April 13, 2023

The following is my report to the City Council on issues in which our office has been engaged since the last Council meeting:

1. Charlotte Estates. In correspondence separate from the Council's packet, I have prepared a memorandum regarding the materials provided to me by Bryan Myrkle and representatives of MDOT. We will be discussing these materials in my written opinion with the City Council.

2. Bruch v City of Charlotte - Michigan Tax Tribunal. The Michigan Tax Tribunal has issued a decision setting forth its findings and recommending that this case be dismissed for the failure of Mr. Bruch to meet his burden in showing that the special assessment levied by the City as it relates to fire and emergency services is either unlawful, or, as a special assessment, arbitrary or unreasonable.

Under Tax Tribunal procedure, Mr. Bruch has an opportunity to respond to this proposed Opinion and Judgment. I will keep the Council apprised.

3. City Attorney Fees and Contract. I did have the opportunity to investigate the \$145 rate mentioned by Councilmember Chin at the last meeting. It appears that the \$145 rate has been the litigation rate in effect since August 2018. I apologize for the apparent confusion, but I had not specifically thought about what my firm's rates for the City were. In 2017, the rates were raised to \$140 per hour for litigation matters and \$120 per hour for district court police matters, and in August 2018, while my files do not reflect a letter, general counsel work went to \$140 per hour, litigation went to \$145 per hour, and district court police matters went to \$122.50 per hour. As I indicated, I was not particularly aggressive in my fee requests, and there have been no change in fees since that time.

We will continue to review the proposed Retainer Agreement in advance of the May 1, 2023 Council meeting.

4. Conversations with the City Manager. From time to time, I continue to have conversations with the City Manager regarding a variety of City matters.
