Carolyn Rosier - business owner, not opposed to the Social District, but needs answers, no one has approached her. Concerned about the limitations of crossing the street and mentioned the lack of business in downtown. Concerned about liability and costs, if businesses don't want to participate in the Social District, how will they keep patrons with alcoholic beverages out of their store.

Lance Williams – resident and volunteer CharlotteRising, marketing team. They are creating informational brochures and signs for businesses wanting to opt out to post and marketing brochures to share with business. Researched other municipalities with a Social District in place to ask about issues with trash and most reported back no significant issues. I disagree with this 100% , this needs to be voted on. Our city council is to incompetent to make a decision like this, plus I don't think you can legally raise taxes without a public vote. If you pass this I will challenge the legality of it in court.

Mary, I'm filing my official protest of the scam and fraud of this special assessment. They keep using the fire department to justify this scam because they know the people want fire protection because they save lives. If I was city manager give me a red pen and I could solve the financial problems in 5 minutes. First of all, don't back fill Bryan Myrkles's position. Hire a city manager who knows how to do grants State, federal and corporate etc and will do it unlike the past people in charge. The city manager in Owosso does all the grants and he doesn't have a DDA person if he needs one he will hire a contract employee. Next Owosso has about 15,000 residents and they have 1 tax assessor so I would eliminate 1 assessor in Charlotte. I would also eliminate the person who works part time for the recycling site whom nobody knows except the person in charge of the site. When I was on the council I suggested hire a grant writer because the powers to be at the time didn't how to do them or were to lazy. Doing a grant is not rocket science. If one can read or write they can do it. I did federal grants to the EPA for the LUST and UST programs. You do a workplan and submit it to EPA they don't read it other than how much money we wanted. But the past council refused to hire one and said it was tainted because he was a friend of mine who I never met and have no clue who he is. My son who does what Bryan Myrkle was suppose to be doing has received over 800 hundred thousand plus in grants for shiawassee county. He got 149 grand from the USDA in which the USDA sent the person in charge from Washington DC personally came to Owosso to hand him the check. He got a grant from the state 250 grand to help create business's or to improve their business. I may be lying but they could receive up to 25 grand. He got another grant in which he forgot he applied for it. Lastly, I would close the airport and use it for commercial development. People who have planes can use the Grand Ledge airport. Supposedly if you close the airport we would have to pay back to the FAA the grant monies we have received all the the years. If you open it up for commercial development I have no doubt the developer would pay the FAA for the city. That site would be ideal because it's on the I69 corridor covering over 200 hundred miles of Michigan starting in Port Huron. It's right on the expressway unlike Packard highway. I pray the council uses some smarts unlike the past council and do the right thing. I know you won't but I'm filing my official protest. God Bless! Sincerely, Ron Horvath

The City of Charlotte Council will hold a public hearing on **Monday, May 13, 2024 at 7:00pm** at 111 E Lawrence Ave, Charlotte, MI 48813 to consider the distribution of a special assessment to defray the estimated costs of fire protection under MI Public Act 33 of 1951, as amended. The proposed hearing shall consider the assessment roll on the properties to be specially benefitting.

The special assessment will defray 85% of the estimated cost of \$1,251,728 for the city's portion of the fire protection services which results in a 3.9665 mill assessment on each property within the district. The assessment roll in its entirety is available for public inspection and review at City Hall, and on the City Website at www.charlottemi.gov.

The District within which the assessment is proposed to take place and within which the cost is proposed to be assessed are more particularly described as: all real property located within the municipal boundaries of the City of Charlotte, except those properties exempt from the collection of taxes under the general property tax act, 1893 PA 206, as amended.

An owner or party in interest, or his or her agent, may appear or protest the special assessment at the hearing. Re: Special Assessment for Fire Protection

I am writing in protest of the special assessment which will be considered by Council tonight. This assessment in the form of taxes is a heavy burden during this economic milieu. As all of you know, our dollars are stretched to the breaking just shopping for food or filling our gas tanks.

As a member of the Greater Federation of Women's Clubs-Charlotte, we heard two speakers from the Fire Department speak on Friday, May 10, 2024. They never mentioned the need for additional funding. They spoke of grants and new machines that they have been awarded. They spoke of voluntary reduction of personnel. They refused to answer our question about the special assessment. If they can't justify why our taxes should be raised, then there must not be a pressing need!

In the past, the Fire Department has acted independently and without accountability to you and to us, the citizens. Can we not sustain/reduce our level of fire protection within the current budget?

Please protect our pocketbooks! Please decline to consider an increase in our taxes.

City shall provide, at no cost to Employee, the services of the City Attorney or other legal counsel to represent Employee. Except as provided herein, should Employee's employment be terminated, voluntarily or otherwise, while any such civil suit or claim is pending, in which Employee is a named party prior to termination of employment, City shall continue to provide such counsel and representation, on behalf of Employee, at City's sole expense, until such time as said claim or suit is settled, compromised, and/or adjudged, notwithstanding the termination of Employee's employment. Employee shall cooperate fully with City in the investigation, prosecution, and/or defense of such claims. The provisions of this Section shall survive the termination and/or expiration of this Agreement.

This section shall be deemed to apply to any civil suit or claim which may arise after the termination of Employee's employment, in which Employee is a named party in his capacity as an officer and/or employee

Re: Resolution 2024-13 for Water and Sewer Rates for Fiscal Year (FY) 2024-25

Introduction

In February 2023, the City Council received the report and presentation from Municipal Analytics regarding their analysis and recommendations for our water and sewer system rates. The City contracted with a third-party for an independent review to determine the rates required to produce adequate revenues to fund the City's water and wastewater utility operations, maintenance and replacement, capital and debt service requirements. The resulting recommendations are the basis for the recommended resolution to establish FY24-25 water and sewer rates. The recommended rates represent a net increase of approximately 2.3% over the current rates, which is a very modest increase that is less than the rate of inflation.

Recommendation

Administration is recommending City Council adopt the proposed water and sewer rates to ensure compliance with city ordinances and to provide sufficient revenue to ensure operating and capital needs are met.

Financial Impacts

These rates are recommended to provide appropriate revenue for the water and sewer utility system.

Suggested Motion

See attached resolution.

Re: Social District Map and Plan Document Revisions

Background:

The Council previously passed Resolution 2024-10 to establish the Charlotte Social District, and the necessary documentation was submitted to the State agency (LARA) for approval.

LARA responded by not accepting the Social District Plan due to necessary revisions to the Social District Map. LARA requires that the Map clearly identifies the potential qualifying licensees by name, address, and location. Further, the Map requires revision to have one Social District and Commons Areas, or a different Resolution and Map with two separate Social Districts and Commons Areas. Accordingly, to avoid confusion, a Map with one Social District with one Commons Area has been developed and enclosed for consideration. The merging of the two Commons Areas into one Commons Area does not alter the regulation prohibiting the possession and consumption of alcoholic beverages in the street; however, it does permit such possession when permitted, such as road closures. This option would not have been feasible with two separate Commons Areas, as per the original Map.

Due to revision of the Map, the Plan document and Resolution also required revisions consistent with the proposed Map.

Recommendation:

Review the revised Map.

Financial Impacts:

Consolidating the Commons Areas into one contiguous space eliminates the need for separation by Cochran Ave. Consequently, planned signage may require adjustment, along with any marketing materials.

Suggested Motion:

Move to approve Resolution #2024-14 (that also approves the revised Plan document and Map).

Overview

The City of Charlotte, located in Eaton County, was originally called Eaton Center, or Carmel, and was first incorporated as a village in 1863. The City was granted a City Charter on March 29, 1872, and has since been the City of Charlotte.

The City has a population of 9,299 as of the 2020 federal census, an increase from 9,074 as of the 2010 federal census. As the City has evolved throughout the past century and a half, it once again recognizes a need to make advancements to promote the region and the health of area businesses. Accordingly, the City of Charlotte has passed Resolution # 2024-14 (Appendix A), in accordance with Public Act 124 of 2020, MCL 436.1551 (the, “Act”), to allow for the creation of a Social District and Commons Area within located downtown. The Social District and Commons Area (Appendix B) will allow both residents and visitors to gather outside in designated areas with alcoholic beverages in accordance with the Act and the parameters designated within the Social District Management and Maintenance Plan.

“Commons area” is defined by MCL 436.1551(7)(a) as “...an area within a Social District clearly designated and clearly marked by the governing body of the local governmental unit that is shared by and contiguous to the premises of at least 2 other qualified licensees. A commons area does not include the licensed premises of any qualified licensee.”

“Qualified licensee” is defined by MCL 436.1551(7)(c) as “...any of the following:

- a retailer that holds a license, other than a special license, to sell alcoholic liquor for consumption on the licensed premises. (This includes the following license types: Class C, Tavern, A-Hotel, B-Hotel, Club, G-1, G-2, Brewpub.)
- a manufacturer with an on-premises tasting room permit issued under section 536
- a manufacturer that holds an off-premises tasting room license issued under section 536
- a manufacturer that holds a join off-premises tasting room license issued under section 536.”

A qualified licensee must apply to the Michigan Liquor Control Commission, MLCC, and be issued a Social District Permit to be able to participate in the Social District. Prior to application with the MLCC for a Social District Permit, a qualified licensee must obtain approval from the City of Charlotte. Violation of local and/or state law may be grounds for Social District Permit revocation.

Commons Area Boundaries

The City of Charlotte Social District will be generally located with boundaries at E. Harris Avenue, S. Washington Street, E. Seminary Street, S. Bostwick Street, and W. Harris Avenue. The Commons Area is located inside the Social District boundaries and include designated sidewalks and streets along with the public parking lots within the boundaries. (See attached map, Appendix B.) The perimeter of the Commons Area will be delineated by signage, and/or barriers and/or decorative items such as planters or planter boxes.

Maintenance & Safety

The Commons Area will be maintained by the City and CharlotteRising. All waste receptacles surrounding the Commons Area will be serviced by the City of Charlotte Public Works. Social District

Permit holders will be required to contribute to the maintenance of the Commons Area adjacent to or near their property to ensure the areas are free of waste and are kept clean.

Hours of Operation

The Social District hours of operation will be from 11:00 am to 11:00 pm Monday through Saturday and Sunday 12 pm to 10 pm. The final sales of the day shall be made at least 30 minutes prior to close of Social District operation and all drink containers must be disposed of by closing each day. Hours may be amended by City Council. Service shall not extend beyond the range as established by the MLCC or City action.

Signs & Barriers

Appendix C
Social District Permit Application

Social District Permit Information

Local Governmental Approval Required Before You Apply

The city, township, or village where your business is located must have first designated a Social District before you may apply. Your licensed business must be contiguous to the commons area inside the Social District to qualify. Check with your local governmental unit to see if you qualify.

Your licensed business must also be approved individually by the city, township, or village before you apply for a Social District Permit. A local governmental unit approval form is attached to this application.

The governing body of a local governmental unit may designate a Social District within its jurisdiction that contains a commons area in which the patrons of qualified licensees may consume alcoholic liquor (beer, wine, mixed spirit drink, spirits, or mixed drinks/cocktails) in the commons area.

At least two (2) qualified licensees must have their licensed premises contiguous to a commons area for the area to qualify to be part of a social district.

The local governmental unit must define and clearly mark the commons area with signs. The local governmental unit must establish a management plan, including the hours of operation, for the commons area. These plans must be submitted to the Commission.

A qualified licensee may apply to the Commission for a Social District Permit using the attached application. The licensee must first obtain approval from the governing body of the local governmental unit before applying for the permit.

A licensee that has been issued a Social District Permit may sell alcoholic liquor for on-premises consumption on its licensed premises only, but then customers may remove the alcoholic liquor from the premises to be consumed in the commons area. A licensee must not sell alcoholic liquor in the commons area.

The commons area is not considered part of any licensee's licensed premises. Nevertheless, a licensee that has been issued a Social District Permit must make every effort to ensure that it does not sell alcoholic liquor to a minor or intoxicated person.

Any alcoholic liquor sold to customers for consumption in the commons area by a licensee with a Social District Permit must comply with all of the following:

- The serving container must prominently display the licensee's trade name or logo or some other mark that is unique to the licensee that sold the alcohol.
- The serving container must prominently display a logo or some other mark that is unique to the commons area.
- The serving container is not made of glass.
- The serving container does not have a liquid capacity over 16 ounces.

A customer that purchases alcoholic liquor to be consumed in a commons area must not transport that alcoholic liquor onto the licensed premises of another licensee contiguous to the commons area from which the customer did not purchase the alcoholic liquor, unless the other licensee is a B-Hotel licensee and also holds a Social District Permit. A licensee, other than a B-Hotel licensee with a Social District Permit, shall not allow alcoholic liquor to be brought onto its licensed premises that was purchased from another licensee with a Social District Permit.

A customer that purchases alcoholic liquor to be consumed in a commons area must not transport that alcoholic liquor outside of the commons area.

Qualified licensees for Social District Permits are:

- A retailer licensee that is licensed to sell alcoholic liquor for consumption on the premises, such as a Class C, Tavern, A-Hotel, B-Hotel, Club, G-1, or G-2. A Special License issued to a nonprofit organization is not a qualified licensee.
- A manufacturer with an On-Premises Tasting Room Permit.
- A manufacturer with an Off-Premises Tasting Room License or a Joint Off-Premises Tasting Room License. For Joint Off-Premises Tasting Room Licenses, all licensees that have licenses at that same location must be approved for and issued a Social District Permit.

Re: SUV – Fire Inspector Vehicle

Background: City Council approved the Fire Department Fire Inspector position. The Fire Inspector has no vehicle to conduct fire inspections or respond to calls while on duty or on call for Fire Investigations. Seal Bid's came back with none in our price range.

Recommendation: City Council approve Sole Source Purchase of a used vehicle for the Fire Inspector. Our research has found a "new" SUV vehicles, outfitted with emergency lights is approximately \$70,000.00 to \$90,000.00. The department is requesting a budget of up to \$35,000.00 to be used from the State of Michigan grant acquired in 2022. The Rural Fire Association, at their last regular meeting has approved this request, as any capital expenditure over \$10,000.00 for the fire department is subject to their approval.

Financial Impacts: By authorizing the purchase of a used vehicle the city would save around \$35,000 – \$55,000 on cost of a vehicle. There is no financial impact to this year's budget as we are using allocated money from the million-dollar State of Michigan grant.

Suggested Motion: City Council approve the Sole Source Purchase of \$35,000 and to authorize the Fire Chief to purchase a used SUV for the Fire Inspector.

Re: City of Charlotte Fee Schedule

Background; From time to time, it is necessary to update the City's Fee Schedule due to changes in the actual cost of services rendered, or because individual fees are added or removed. In most cases, these fees must be approved by the City Council.

Memo

To: Honorable Mayor Lewis; City Council, and City Manager
From: Fire Chief – Kevin Christiansen
Date: May 10, 2024
Re: Grant – Turnout Gear & Boots

Background: On July 31, 2023 Michigan Governor Gretchen Whitmer signed the state fiscal year budget for 2023 to 2024. In that budget, there were 15 million dollars allocated for all full-time firefighters in the state of Michigan to receive funding toward the purchase of an additional set of fire gear. Recently the Labor and Economic Opportunity division for the state released the application and process for receiving these dollars. The outline in the RFP that was provided by LEO was up to 3,500 dollars per firefighter toward the purchase of a turnout coat, pants, and boots.

Recommendation: The fire department placed a sealed bid request on May 7, 2024 requesting bids for 8 sets of turnout gear. We received one bid back from Axes & Irons that is in line with all department requirements as well as the State of Michigan requirements to receive funding. We are requesting the council's approval to proceed with the bid that was received from Axes & Irons. Applications along with bids are due to LEO no later than May 31, 2024.

Financial Impacts: With approval from the council, the fire department will submit to LEO all appropriate quotes and documentation. When the approval period starts from LEO the city will receive funds totaling \$33,266.80. These funds will then be used to pay the vendor Axes & Irons for the turnout gear requested in the bid process. There will be no out-of-pocket cost for the city.

Suggested Motion: City Council approve the Sole Source Purchase of \$33,266.80 and to authorize the Fire Chief to purchase Turnout Gear & Boots.
