MAYOR AND COUNCIL COMMENTS:

Van Langevelde – Thanked all the Frontier Days workers and a thank you to Amy (DPW Director) and Eric (Treasurer/Finance Director) for their hard work and for the burden they carry with the lack of staffing.

Rodriguez – Thanked Council for the discussion, shared knowledge and he learned a lot

Duweck – He has been on many councils and is pleased to be a member of this council which takes a positive approach and he is appreciative to be a part of it.

Chin – Wondering about the situation with the EMS? LaPere mentioned the hospital is being very tight lipped about any discussions but threw out a few possibilities of it becoming privatized and wondered about all the surrounding community stakeholders who have contributed financially and how that may come to play in the decision making. Armitage assured the public that whatever the outcome, we will not be without EMS coverage. LaPere will send a copy of the contract the city currently has in place with EMS services.
